TO WHOMSOEVER IT MAY CONCERN

I am happy to write and give my recommendation to **Shreesha N** who interned with Greenpeace India Society in Bangalore between **10th July 2014 to 8th August 2014**

During this time **Shreesha**, undertook initiatives in our Environmental Awareness Program including dialoguing with the public for raising public awareness on the environment and raising funds for the organization.

He was passionate towards the cause and dedicated in his efforts.

We wish him the best in all his future endeavors.

Sincerely,

For Greenpeace India Society
